

Many Faces of Autism

1.5
hours

Earn a certificate of completion and CEUs from many participating organizations.

Learn more about common characteristics of autism. This course addresses: social communication, restricted interests and patterns of behavior, sensory, cognition and information processing, and emotional regulation.

Start Your Free Course Today!

Many Faces of Autism is a free introductory course that will introduce you to characteristics of autism spectrum disorder (ASD) and dispel common misconceptions through the experiences and perspectives of individuals on the autism spectrum.

Whether you are a parent, grandparent, neighbor, co-worker, teacher, bus driver, or librarian, you will find valuable insights and information in this 1.5 hour course.

In just over an hour, you will walk away with five simple strategies to use anytime, anywhere:

1. Use interests
2. Prepare for what's coming up
3. Use visuals
4. Provide time
5. Speak simply and clearly
