Adolescents and young adults with ASD need many critical skills as they prepare for transitioning from high school into their own, unique adult lives.

This 12 hour course will show you how to use evidence-based strategies to support individuals who are transition-aged and young adults through video examples at home, school, work, and in the community.

Guiding Young Adults Toward Independence

Prompting (75 minutes)

What's Next? Preparing for Upcoming Activities

Priming (45 minutes)

Write it Out, Draw it Out
